### KPITIANS INSPIRED YOUNG INNOVATORS IN A ROBOTICS CHALLENGE

**TAKE A LOOK AT THE SNAPSHOTS**

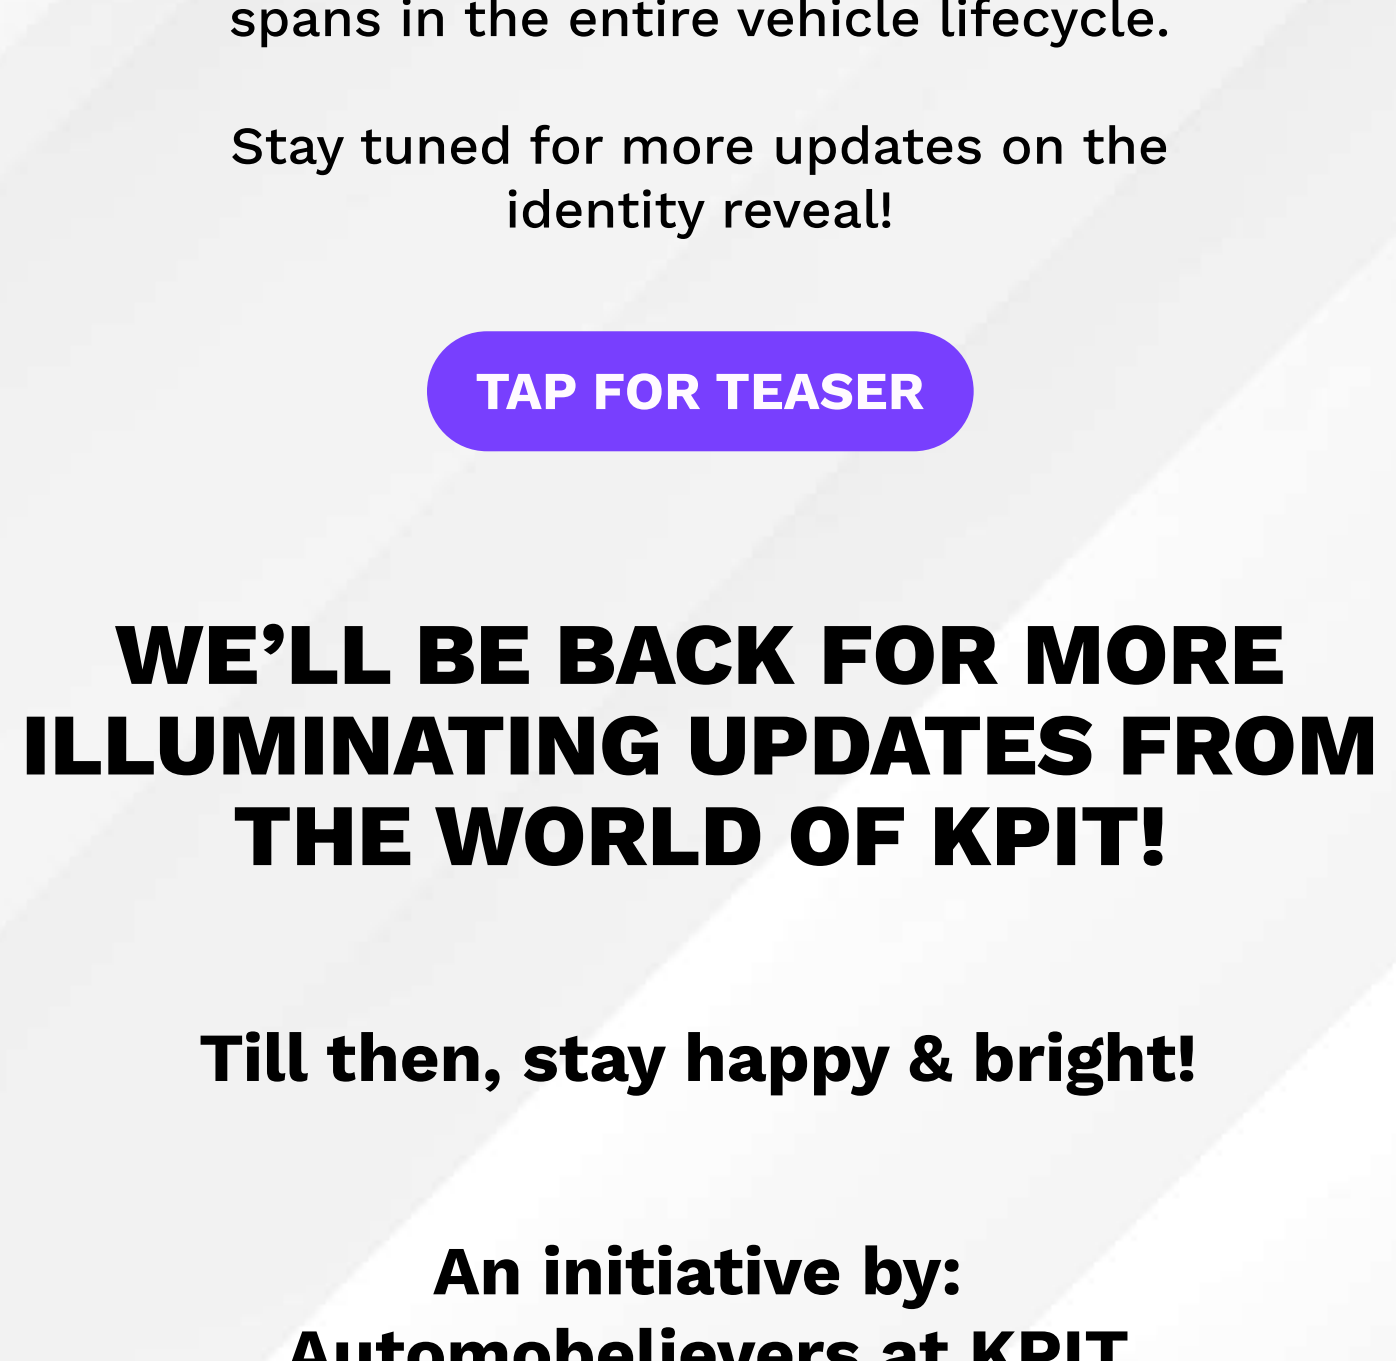

KPIT Columbus CSR team volunteered their time and knowledge to help young talent during the Elementary Robotics Exploration STEM Night. The event drew a large number of young, passionate students curious about robotics.

The volunteers thoroughly engaged in teaching the students and their parents about simple robotic mechanisms. Witnessing the excitement on the children's faces when their robots were up and running was undoubtedly the most rewarding moment for everyone involved.

Our colleagues had an amazing experience sharing their knowledge and expertise with the next generation of innovators.

### THE NEW IDENTITY OF OUR VEHICLE DIAGNOSTICS, COMING SOON!

We're happy to announce that our Vehicle Diagnostics Business unit is going to assume a newer identity that is powered by transformative solutions and an extensive portfolio that spans in the entire vehicle lifecycle.

Stay tuned for more updates on the identity reveal!
