What's Up @ KPIT

A delightful rainbow of fun
KPIT updates!

July 1st, 2023

HIGHLIGHTS FROM AUTOMOBIL-ELEKTRONIK KONGRESS!

This week we were excited to be at the
Automobil-Elektronik Kongress in Ludwigsburg,
Germany!

From insightful conversations with Industry
leaders to exchanging ideas on technology that's
shaping the future of the automotive industry, our
team had a wonderful time at AEK 2023.

Curious to see some highlights?

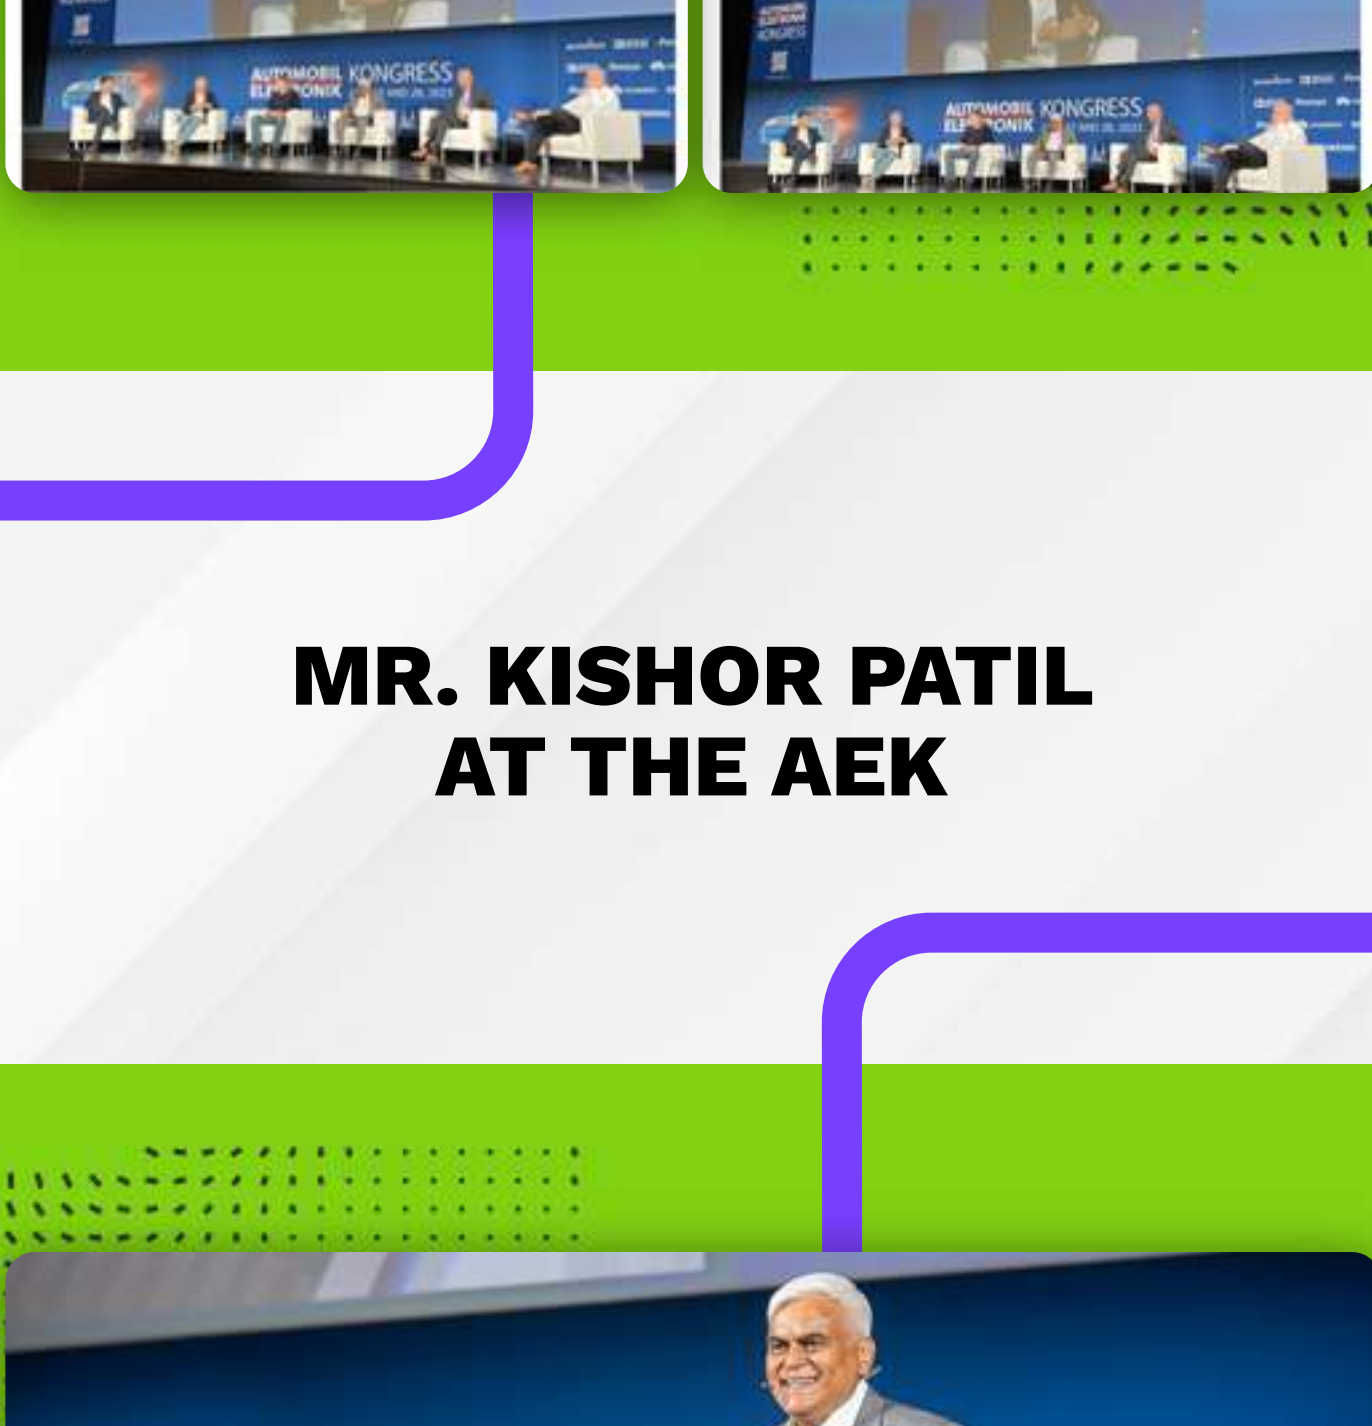

HIGHLIGHTS FROM DAY 1

HIGHLIGHTS FROM DAY 2

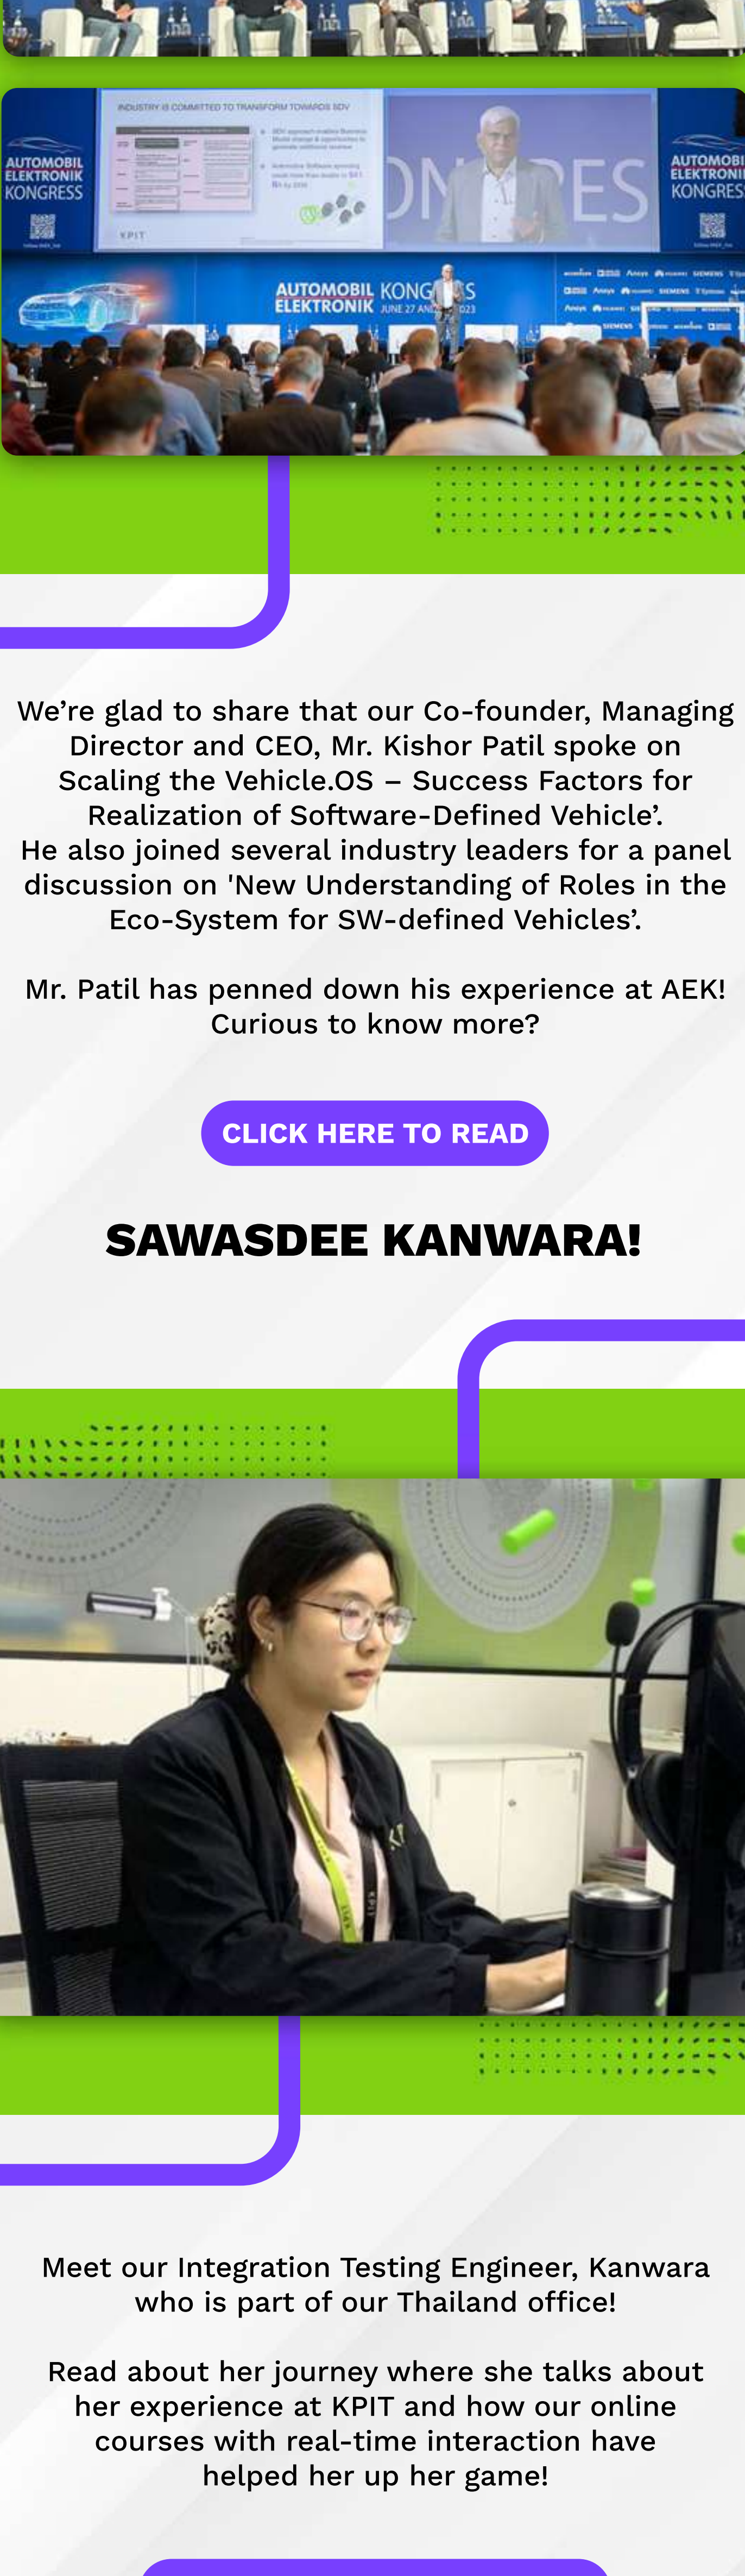

WHAT'S THE BUZZ?

The tech-town is talking about our Co-founder,
Managing Director, and CEO, Mr. Kishor Patil's
presentation at the AEK!

CHECK THEM DOWN HERE

MR. KISHOR PATIL AT THE AEK

We're glad to share that our Co-founder, Managing
Director and CEO, Mr. Kishor Patil spoke on
Scaling the Vehicle.OS – Success Factors for
Realization of Software-Defined Vehicle'.

He also joined several industry leaders for a panel
discussion on 'New Understanding of Roles in the
Eco-System for SW-defined Vehicles'.

Mr. Patil has penned down his experience at AEK!
