KPIT announces strategic investment in N-Dream AG

We are glad to announce our strategic investment in N-Dream AG, one of the early movers in the in-car gaming space. With N-Dreams' easy-to-launch casual gaming platform AirConsole, and KPIT's integration expertise, this collaboration will soon enable OEMs to transform experiences in the Cockpit of the Future.

KPIT's Water Conservation Initiatives Make a Splash

At KPIT, we've placed sustainability at the core of what we do and how we impact communities around us! Here's a peek into some of our sustainability initiatives from 2022-23. Our focus on responsible resource management and environmental sustainability drives our CSR efforts, ensuring we always live up to our ethos.

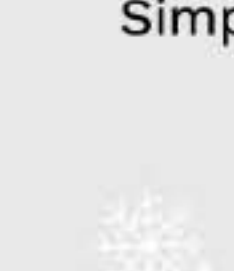

1.1 million litres

Made available to Nalvat village, Pune, Maharashtra, through a well that was constructed as part of a mass volunteer initiative.

1 lakh litres

Made available in Pasali village in Pune, Maharashtra through construction of a small-scale dam, 'Vanrai'.

11,975 kilolitres

Reduced water consumption at the KPIT Pune campus through sewage treatment plants and water recycling efforts.
