KPIT Pune Hosts Honda Leadership

KPIT's Pune campus welcomed Mr. Toshihiro Mibe, CEO & President, and Mr. Shinji Aoyama, COO & EVP of Honda Motor Co. Ltd. This high-level visit signifies a stronger commitment and wider collaboration between the two companies in the exciting realm of Software-Defined Mobility (SDM). Discussions covered deeper integration, scaling collaboration, and strategic areas of partnership to accelerate Honda's SDM transformation. KPIT's experience and expertise in SDV programs align perfectly with Honda's commitment to innovation, quality, and excellence.

KPIT at the Bharat Mobility Expo

KPIT was a part of the recently held Bharat Mobility Global Expo 2024, diving deep into the transformative power of Software-Defined Vehicles (SDV) and showcasing our expertise in partnering for successful SDV programs across India. From engaging in discussions about how SDV will revolutionize Indian mobility to highlighting the country's rising strength in ER&D for SDV, KPIT presented a compelling vision. Even further, Mr. Omkar Panse, SVP & Head of Software Defined Vehicles Middleware Solutions at KPIT, shared his insights on a panel, discussing India's potential as an ER&D hub, tackling crucial challenges like cybersecurity and data privacy, and emphasizing the importance of collaboration in this exciting journey.
